

# KRUNAL RATHOD

## Frontend Developer

Baben, Bardoli, 394601 | 91+ 9313720684 | cse.220840131125@gmail.com

### SUMMARY

---

Computer Science and Engineering graduate from Gujarat Technological University, currently pursuing Frontend Development training at TOPS Technologies. Skilled in HTML, CSS, JavaScript, and React.js with a strong understanding of web development concepts and problem-solving. Quick learner with good communication and teamwork abilities, eager to begin a professional career in the IT industry and contribute to innovative projects while continuously enhancing technical skills

### PROJECTS

---

#### Phishing Detection System (ML Project)

- Developed a Machine Learning-based system to identify phishing websites with improved detection accuracy.
- Implemented data preprocessing, feature extraction, and prediction using Python
- Designed an interactive web application using Streamlit for real-time phishing URL analysis
- Focused on cybersecurity solutions to enhance online safety and threat detection.

#### House Price Prediction (ML)

- Built a predictive Machine Learning model to estimate house prices based on user inputs and dataset analysis
- Applied data preprocessing and regression techniques using Python
- Developed a responsive prediction interface using Streamlit for better user interaction
- Improved prediction efficiency through data analysis and model optimization

#### E-Commerce Website

- Designed and developed a responsive e-commerce website with modern UI/UX principles
- Created product listing, product detail, and shopping cart functionalities using HTML, CSS, Bootstrap, and JavaScript
- Implemented responsive layouts to ensure compatibility across multiple devices
- Focused on clean design, smooth navigation, and enhanced user experience

### EDUCATION

---

#### Computer Science and Engineering

Gujarat Technological University

Currently Pursuing

#### HSC/GSEB Board

Vashistha Genesis School, Baben

2022

### SKILLS

---

- HTML5
- CSS3
- Bootstrap
- JavaScript

### CERTIFICATIONS

---

- AI Workshop
- SAP Code Unnati Program
- Full Stack Webinar
